

Emergency Community Support Fund (ECSF)

Guidelines for Community Service Organizations Seeking ECSF Funds from United Way Central Plains

COVID-19 is top of mind for everyone and it is affecting the ways we support those who are vulnerable in our communities. This pandemic has created an increase in demand for local services, shortages in supplies, and disruption in service.

The Emergency Community Support Fund (ECSF) is a \$350 million investment made by the Government of Canada, through Employment and Social Development Canada (ESDC), to support vulnerable populations as they manage the impacts of COVID-19.

The Government of Canada has partnered with United Way Centraide Canada, Community Foundations Canada, and the Canadian Red Cross to distribute the Emergency Community Support Fund (ECSF) across the country. United Way Centraides (UWCs) are working locally to support community service organizations to aid vulnerable populations impacted by the COVID-19 pandemic.

This document summarizes guidelines for community service organizations seeking ECSF funds through United Way Central Plains.
